RESPONSE TO SPECIES ELECTION REQUIREMENT

Sir:

In response to the Species Election Requirement mailed October 20, 2008, Applicant provisionally elects Species of Group II, with traverse. Claims 1, 3-7, 10, 13, and 14 are believed to read on the elected species.

The Examiner is requested to reconsider the Species Election requirement since all of the species are sufficiently related to each other that an undue burden would not be placed upon the Examiner by maintaining all of the species in a single application. MPEP § 803

Favorable consideration of this application is respectfully requested.

Respectfully submitted,

Dated: November 10, 2008
